Dear Friends,

Since RockRidge Canyon opening in 2004, over 20,000 campers have experienced 'the best week of their life' at RockRidge Canyon and we know that this is just the beginning! The story of camp is one of vibrant faith, bold vision, and genuine sacrifice by a community of people committed to helping kids experience Jesus Christ.

We would like to invite you to partner with us as we continue to build a first class facility for the presentation of the gospel. The projects outlined in this package are intended to give you a glimpse of our current needs to continue making RockRidge Canyon a place of excellence.

Don't be concerned if you can't take on an entire project by yourself - many partners are needed and every gift is appreciated!

If there is a project that captures your imagination, please talk to one of your Hosts or grab a couple of minutes with me so I can answer your questions and explore how you can be involved.

Sincerely,
Carolyn Mortensen
