

# GREAT RETREATS START HERE

ESCAPE  
TO THE  
EXTRAORDINARY

## YOU CAN FEEL IT

Surrounded by nature on every side, RockRidge Canyon invites you to step out of the ordinary. It's your get-away. Time and space to renew. Rejuvenate. Unplug. Get connected. Reflect. Refresh. Teach. Learn. Grow. Challenge. Make music. Make friends. Build memories. Smile. Laugh. Repeat.

### Space to stretch

It's not just the landscape that inspires massive smiles. Guests enjoy kayaks, paddle boards, mountain bikes, challenge course, hiking, lakeside walks and swimming pool. There's even a winter terrain park and groomed skating rink! When you're here don't miss the famous lake-crossing dual zip-line.

### Great food brings people together

Each day is filled with mouth-watering meals and snacks. With in-house kitchens and bakery, menus are carefully designed by our Red Seal chefs to meet your group's needs. Dine in The Pinnacle (400 seat) and Wolfe Creek Lodge (80).

### Coffee, treats and a little retail therapy

Start your morning with friends over a fresh espresso or chai latte in the Canyon Coffee loft. Later, grab a booth in Scoops Snack Shop for ice cream, smoothies and snacks. The Ridge Trading Co. features branded gear, gifts, souvenirs and some of those items you may have left at home.

### Sleep comes easy

Enjoy a day of fresh mountain air, then, when it comes time to sleep (or nap), accommodations include the 47 room luxury Wolfe Creek Lodge and 3 lake view Dorm Lodges (100 beds each). Everyone rests easier knowing they can leave cramped sleeping bags at home. Comfy fresh bedding and towels are provided!

### Meet, educate & entertain

There's lots of space inside too! The Rock is a 320 seat presentation theatre with modern sound, lighting and whisper quiet air conditioning. The stunning foyer is perfect for hosting receptions and breakout rooms overlook the lake.

RockRidge Canyon has over 20 meeting/breakout spaces and the massive games room keeps everyone entertained once the sun goes down.
