Fabulous place for a family retreat, thank you, RockRidge Canyon! We had such a blessed time with our teen and college aged kids over the weekend.

There was so much offered: Stand up paddle boards, canoeing, kayaking, three beach volleyball courts, full size outdoor basketball and hockey rink, archery, hiking, and mountain biking, to name a few. Since these are COVID-19 times, they implemented excellent social distancing protocols that kept us all safe and comfortable while enjoying ourselves (this included a temperature check upon arrival). Staff were friendly and accommodating. I highly recommend this facility, it was amazing!
