

It's time to celebrate a new dawn,
a new day and a new life!

Ladies, come get refreshed in the breathtaking expanse of the RockRidge Canyon, the beauty of the lake and the crisp fresh air, during Young Life's Weekend for Women this spring.

You'll enjoy all the outside fun plus great food, comfortable accommodations and much more! Experience Young Life through our evening club, bursting with humour, music, and opportunities to learn about God's great love.

On Saturday, you are welcome to choose seminar topics that speak to your heart and bless your life. Start or renew relationships that will grow and blossom in the future. Be prepared for a lot of laughter and fun!

Our goal is for you to experience a warm, loving and encouraging environment, then return home refreshed and renewed. We can't wait to see you!
